July Meeting Minutes

BUSINESS MEETING MONDAY, JULY 10, 2017

The bags that hold the Baronial Chairs are in terrible disrepair and need to be re-made

Ubertino and Nico have agreed to serve as joint Quartermasters

DEFENDER -

Master Wolfgang - Rapier Marshall

Heavy Defender - Adriann Sawyer

Bard - Lady Helena de Eyncurt

Some thoughts: Make sure to be specic on directions. Create more SCA signs to help clarify...?

Check with campground about creating a "notch" in the railroad ties to help the tent pads drain in
the future.

Creating an "autocrat packet" fo future events that clearly denes the role / responsibilities of each
position involved.

ENDURO -
Is on budget, with 80% of the props completed.

Need Troll volenteers

Archery will be held in the front corner, where it usually is.

Games will run from 11-3, with the Bardic at 3pm

BATTLEMOOR -

As of this date, three proposals for gate designs have come in. It was discussed that perhaps a simpler version (a version "one") of the more elaborate designs could be created to try out this year, as we adjust to the trasportation and raising of a Baronial Gate.

TOYS FOR TOTS -

Recieved Caerte's half of the money.

Archery first, Heavy / fencing next, then Equestrian.

Friendly competition of which Barony brings in the most toys / money.

MIDWINTER -

Ideas for site tokens...?

Shoshannah will be putting the word out bia facebook about a massive pickling for the Event.

Baron Finn reminds us on how helpful having classes pertaining to the theme are to having everyone feel ready and excited about the event..

From our Rapier Marshal

Unto fair Caer Galen, do I, Master Wolfgang send greetings.

To start this missive off,I would like to offer my appreciation to the rapier fighters who took to the field on Tuesday in Don Michaelanglo's Rapier and Dagger Tourney. We fielded 10, and ran a double round robin "Monkey in the Barrel" format. Way fun! The victor was Lady Desha. Huzzah! And a hearty thank you to Don Michaelanglo. Huzzah!

After the tourney wrapped up, there was some impromptu small team melee practice. With melee tourneys a staple at many events, I think it would be a good idea to learn, and practice the basics, at the very least. To that end I propose that one practice a month (starting at 7pm) be dedicated to the understanding and proficiency of small team melee. With the numbers at practice averaging around 10-12, there would have to a sizable interest in order to make the most of this kind of practice. So, take a moment to tell me what you think. What say you?

Don Wolfgang Kohlhammer

Dawn of the Age of Chivalry

The Dark Ages are over. The Middle Ages have begun. The chivalric ideals of heroism, of picturesque castles and glorious churches and pageants, camps and tournaments, lovely charity and gallant self-sacrifice are sweeping the European World.

Experience glorious battles, gentle arts, competitive tournaments, philosophical conversations, and delightful revelries in beautiful mountain-view lands in our fair Kingdom. Renew old friendships and forge new ones during this exciting week-long adventure.

Battlemoor is a six-day event hosted by the Kingdom of the Outlands, one of the 20 Kingdoms of the Society for Creative Anachronism (SCA). It began in 2009 on the Stroh Ranch, north of Walsenburg, Colorado. We have now moved to Cottonwood Meadows, in Buena Vista, Colorado.
